Whether you are a graduate from 1968 or 2015, there is something special about being a “Newman Grad”. We would like to invite you to join in supporting the education of today’s Newman students with a gift to the Alumni Annual Appeal Program.

Tuition covers the basics of a quality high school education. In order for Cardinal Newman to further advance in academics, arts, athletics, and provide tuition assistance, we must partner with our alumni in raising additional funds that will in return, advance and transform the many young women and men who can call themselves Cardinals.

For over 50 years, our alumni contributions have assured the very best resources for our students and for those who will follow in their footsteps. In most recent years, our alumni have supported us with gifts totalling over $200,000 annually. Alumni giving has helped support many campus improvements over the years including our new Athletic Convocation Center, all-weather track, tennis courts, women’s locker room, field house & our new science building which is planned to open next year. The Alumni Annual Appeal Program is a financial foundation to the school’s continuing growth and helps us deliver our promise to educate our students into persons of faith, intellect and integrity. Your gifts further support tuition assistance, inspiring others to give and allowing for a vibrant future for every Cardinal Newman student. We encourage you and all our alums to BE A PART OF IT!

Message from our Alumni Association President:
Thank you for considering a gift to support the good work at your alma mater. Giving back to our community that has given so much to us is one way to show your Newman spirit! Another is to join us at our Alumni Association Committee (AAC) monthly meetings on campus. Contact the school! We would love for you to BE A PART OF IT!
