

Spanish 2 Summer Assignment

Spanish II

Prerequisite: Completion of Spanish I with a grade of C or higher.
Students receiving a C- in Spanish I will be asked to complete a summer assignment to better prepare them for the rigor of Spanish II

Dear Student,

In order to better prepare for the rigors of Spanish 2, you will need to complete the following grammar review packet. This will help you to continue to practice certain concepts taught in Spanish 1 that will help you begin Spanish 2 with a better understanding of these grammar points. Remember, a good resource for seeing these grammar points presented is by searching for Sr. Jordan on Youtube and finding his lesson presentation for each.

Please print out this [workbook review packet](#) and complete it before the beginning of the first class in the Fall.

Looking forward to seeing you in the Fall.
